SUBJECT: REQUEST FOR BUDGET PROVISION 1 JULY 2017 TO 30 JUNE 2018 FOR FISH HOEK'S MUSEUM

1. EXECUTIVE SUMMARY

In terms of Section 17 of the Local Government Municipal Systems Act, Act 32 of 2000, Council must afford the public and interested parties or groups an opportunity to submit comments to the municipality. We as the Fish Hoek Valley Residents and Ratepayers Association (FHVRRA) wish to submit our comments relating to a budget provision for our neglected Fish Hoek Museum, which is falling into a state of disrepair.

2. RECOMMENDATIONS

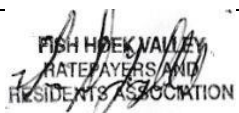

It is recommended that, for the reasons set out in this report:

That the City reserves funds in the 2017/18 budget for Fish Hoek's Museum, specifically:

- Repairing roof leak;
- Painting the building, especially the exterior; and
- Erecting a security fence.

3. DISCUSSION

It is a City of Cape Town owned building between the Fish Hoek Civic Centre Complex and the City's Fish Hoek Health Clinic, but is falling into disrepair. The roof leaks in the first room on the right upon entering the building. The building needs painting, especially on the outside and is shamed by the recently painted Health Clinic next door. A security fence is needed as people are sleeping on the grounds at night and store their possessions under bushes there during the day. If it is a City sign, then the current sign needs replacing.
