SUBJECT: COMMENT ON THE PROPOSED LEASE OF RHODES COTTAGE IN
MUIZENBERG

DUE DATE: 16 APRIL 2020

With 20 years experience in running Rhodes Cottage, the Muizenberg Historical Conservation Society has proved its ability to operate this important museum in terms of SAMA Museum Standards (Section 8.5) and address educational and cultural purposes in accordance with Section 8.1 of the associated Facility Management Agreement. Although the "cottage" is offered *voetstoots*, the "society" has managed to keep its doors open to the public. As a conservation body, we feel assured that they will maintain the property in terms of the National Heritage Resources Act.

This is an asset to the False Bay community. We can think of no-one better placed to do the job. We support the leasing of Rhodes Cottage to the Muizenberg Historical Conservation Society.
