SUBJECT: SUPPORT FOR TREK MURAL ON FISH HOEK BEACH

The Fish Hoek Valley Ratepayers and Residents Association (FHVRRA) is a community based organisation that supports the idea of a mural on Fish Hoek Beach depicting the trek fishermen. The artist, Christine Andrews, does top quality work. Trek fishermen always attract a large crowd of locals and tourists and have become, almost, an institution at our beach.

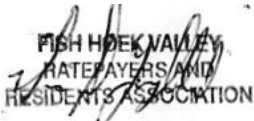

Other labour has been supplied for the wall cleaning in preparation for the undercoat of paint for its base. The organisers and community have paid for the paints to which, we will also contribute.

Anticipated additional work will include refurbishing the ablution block by removing the rusty window grates, fitting gates and doors, etc. Once that is done, the whole building will be painted "Ocean of Blue".

This work signifies an immense uplift for this area of our beach, that frankly was looking a bit run down and tatty. Upon completion, it will provide a focal point for the beach.

SUMMARY

In conclusion, the FHVRRA has "no objection" to this mural and unreservedly supports it.
